New Branch Coming Soon

The new SCCU branch, located just off the highway on E. South Street in Jackson, is under construction and coming along very nicely.

"We are pleased to find a new location in Jackson County to provide additional convenience in serving our members," said Terri Papiersky, CEO of South Central Credit Union. "Member satisfaction and ease in banking remains a top priority for the Credit Union. Providing a new branch location where there is significant demand is one of the most important ways we give back to our members."

The full-service branch will be 2,900 square feet and will feature three teller stations, four member service offices and a drive-thru lane. The new branch is the Credit Union's second branch location in the Jackson area. Stay tuned for future updates and grand opening information.
